Education

Computer Science	College of Engineering Chengannur	**June 2025**
Computer Science and Engineering	Government Polytechnic College Vechoochira	**May 2022**

Technical Skills

Languages: Python, Java, C, SQL, Dart

Web Technologies: React (Basics), Django, REST API, HTML, CSS, JavaScript (Basics),Dart

Databases: MySQL, MongoDB,NoSQL

Operating Systems: Windows, Linux

Libraries & Tools: Pandas, Git,Flutter SDK

Projects

- **Kcal Food Recognition and Calorie Estimation Application**
  Flutter app using TensorFlow Lite for food recognition & nutrition tracking (calories, proteins, fats, carbs).
- **AUTOSPAXE An IoT Based Smart Parking System**
  Smart parking solution using IoT sensors and real-time data allocation to solve urban parking challenges through automated slot management.

Soft Skills

Strong Communication, Team Collaboration, Problem Solving, Adaptability, Time Management, Critical Thinking, Leadership, Attention to Detail

Career Objective

A passionate Computer Science graduate with a solid foundation in programming, cross platform application development . Seeking a software engineering role where I can contribute to real-world projects, expand my technical skills, and grow within a dynamic team environment.
